

Does Your Website Suck? Win a Free Makeover

Businesses in the Ottawa region get a chance for a free website makeover valued well over \$10,000.

Ottawa, ON (Hunox) January 17, 2006 – Hunox is now accepting applications for free Extreme Website Makeover Contest.

The winner will receive a complete website makeover. The overhaul includes unique design and layout, improved user experience, additional interactive components and much more. The estimated value of the package is well over \$10,000.

Due to anticipated popularity, we will only accept applications from businesses in the Ottawa area. Applications are due February 16th, 2005, 11:59 PM.

For more information and online application, please visit www.hunox.ca/makeover/.

About Hunox:

Hunox: a small, cutting-edge web design and development company born out of Ottawa, Canada. Our mission—our passion—is delivering engaging, easy-to-use, and revenue-boosting websites for businesses and organizations worldwide, no matter how large or small.
